Environmental Policy

GEM College of International Business recognises the importance of the environment for the future of the world.

In achieving our mission, GEM College of International Business will always remain conscious of the impact that our staff and we have on the environment by our attitudes and behaviours.

- Our training courses will always advocate appropriate environmental practices.
- We will encourage good environmental practices by promoting energy efficiency in our use of equipment and facilities.
- We will encourage recycling of paper and other products.
- We will dispose of non-recyclable waste appropriately.
- We will encourage our staff and customers to act locally and think globally.
